# Double DVD Coastal and Travelling Adventures in Watercolour

£35.00

The advantage of DVD over video is the ability to freeze frame to study the detail of an image.

Coastal Adventures in Watercolour:- Come ashore and afloat to paint boats, cliffs, waves, harbours, rocks, skies and figures based on the spectacular Pembrokeshire coast. Two studio watercolour demonstrations. 60 minutes

Travelling Adventures in Watercolour:- Here we go in search of Spanish castles, farms, mountain villages, the Alhambra Palace, an Andalucian harbour and much more, with a variety of sketches and watercolour demonstrations. 60 minutes
